## PRINCIPAL'S MESSAGE

*"Education is not limited to textbooks alone; it is the harmonious development of mind, body, creativity, character, and leadership."*

It gives me immense pleasure to present the CCA Calendar for the session 2026-27 of DAV Public School, Jehanabad. Co-Curricular Activities play a vital role in nurturing confidence, creativity, communication skills, teamwork, discipline, and moral values among students. These activities provide students with opportunities to explore their hidden talents and develop balanced personalities.

Our school has consistently maintained excellence in academics as well as co-scholastic domains. The active participation and achievements of our students in educational, cultural, literary, scientific, and sports activities reflect the true spirit of DAV education based on the ideals of Maharshi Dayanand Saraswati.

The carefully designed CCA Calendar for this session includes literary, cultural, artistic, scientific, and value-based activities for all groups of students. It also incorporates important national and international days to promote awareness, patriotism, environmental consciousness, and social responsibility among learners.

I extend my best wishes to all students and teachers for active, joyful, and successful participation in all school activities throughout the session.

Best Regards,

K. K. Pandey  
Principal  
DAV Public School, Jehanabad
